

STATEMENT OF SUBSTANCE OF INTERVIEW

Initially, Applicant wishes to thank Examiner Tekle for conducting an interview with Applicant's attorney, Benjamin Keim, on September 22, 2008. Applicant's attorney wishes to thank the Examiner for his time and consideration.

During the interview, Applicant's attorney presented arguments distinguishing the claimed subject matter from the Boston reference. In particular, Applicant's attorney presented arguments along the lines of those set forth below in the section entitled "Claim Rejections 35 U.S.C. §102".

In the interest of expediting prosecution of the application, and without conceding the propriety of the rejections, Applicant's attorney proposed amending certain independent claims along the lines discussed during the interview.

Applicant's attorney understood the Examiner to tentatively agree that there are no §112 or §101 issues in the proposed amendments. The Examiner indicated that further review of the Boston reference would be needed, and requested that the proposed amendments be presented in writing. Applicant's attorney submits amendments in writing in this Response to the Office Action.

Accordingly, Applicant's attorney amends certain independent claims herein, along the lines discussed during the interview. Applicant's attorney submits that all of the pending claims are in condition for allowance.
